Once again, law enforcement and fire personnel will be delivering 300 Christmas baskets to needy homebound elders in the tri-county area who are without family and /or cannot afford basic necessities.

Last year, your agency, in partnership with the Ingham County TRIAD and the Retired Senior Volunteer Program/R.S.V.P., packed and delivered Christmas baskets for each of these 300 senior citizens through our "No Senior without Christmas" program.

Our scheduled delivery date this season is December 11th. We hope we can count on your participation again this year.
